Medicine

STUDY AT THE AMERICAN MEDICAL COLLEGE OF HOMEOPATHY

45 Hour Acute Care Course

Taught by Dr. Maryann Ivons, this course goes into detail on how to identify and treat acute conditions with homeopathy. This course is perfect for people who want to know how to use Homeopathy in their home

150 Hour Clinical Homeopathy Program

Learn over 100 key remedies, acute care, and participate in mentorship with a certified homeopath. This course is taught by the Father of Modern Homeopathy, Dr. Todd Rowe, and is excellent if you are looking to add a modality to your practice.

Homeopathic Practitioner Program

Become a certified Homeopath with AMCOFH's three-year Homeopathic Practitioner Program. We offer online and live classes with several different faculty members who bring a broad range of their own experiences directly into each course.
